

Allergen Information

The information provided in this document is based on standard product formulations and information provided by our suppliers. Please note that normal kitchen operations may involve shared equipment (e.g., oven, beverage machines, toaster, panini press), shared cooking and preparation areas and utensils, and the possibility exists that your food items may come in contact with other food products, including other allergens. Although we take precautions, we cannot guarantee that cross-contact of allergens will not occur, and we do not assume responsibility for a person's sensitivity or allergy to any food item provided in our restaurants.

Test, Limited Time Only and certain regional offerings may not be listed within this document. Information is applicable to products served in Canadian restaurants and may be subject to change at any time. We encourage anyone with food sensitivities, allergies, or special dietary needs to check www.TimHortons.ca on a regular basis to obtain the most up-to-date information before ordering.

The information provided in this document is effective as of October 2021.
